

Part-Time Lecturers

Department of Nutrition, University of Massachusetts Amherst

Nadine Braunstein, MS, RD, LDN, CDE

Dietetic Internship Director

The Department is seeking a pool of part-time lecturers who can teach in the new online Master of Public Health in Nutrition program through the Division of Continuing and Professional Education, as well as those who can contribute to classroom teaching on campus. The pool may be drawn from to fill vacancies that occur from Fall 2008 through Spring 2011.

Applicants must have strong demonstrated ability in teaching, and ability to communicate effectively both orally and in writing; online teaching experience preferred (for online classes). Master's in Nutrition or equivalent, Doctorate in Nutrition or related area required for teaching graduate-level courses. R.D. desirable.

Duties: The appointee will be part of a part-time lecturer pool of the Department of Nutrition, to be selected to teach undergraduate and graduate-level online or in-person nutrition courses to a diverse body of student learners. Courses may include lower and upper division undergraduate in-person nutrition science and community nutrition courses, as well as graduate-level public health nutrition courses. The University of Massachusetts is strongly committed to excellence and actively supports cultural diversity.

Starting Date: Variable, beginning September 2008. Review of applications will begin 5/15/2008 and will continue until positions are filled.

Please submit a cover letter describing online and/or in-person teaching experience and philosophy, course preferences, and experiences as a nutrition professional, along with a curriculum vitae, and names of three references to: Dr. Patricia Beffa-Negrini, Department of Nutrition, 206 Chenoweth Laboratory, University of Massachusetts, Amherst, MA 01003-9282: patsy@nutrition.umass.edu

The University of Massachusetts at Amherst is an Affirmative Action/Equal Opportunity Employer. Women and members of minority groups are encouraged to apply.
